ABOUT DENMARK

Copenhagen - Copenhagen is the modern and charming metropolis that never forgot its history. A round trip of the inner city is easily managed on foot and its old, cobbled streets provide an evocative backdrop to a thriving cultural scene, with its art galleries, museums, music and theatres. Europe's longest city pedestrian street Strøget, winds its way through the inner city, with its shops full of world-class Danish design, fashions and much more. And there are the royal castles, the parks, the squares and the plazas. Not to mention our precious pearl, Nyhavn, the New Harbour. The actual founding of the city, though, dates to 1167 A.D., when Bishop Absalon built a fortress on Slotsholmen. At the Tycho Brahe Planetarium, you can experience breathtaking natural phenomenon. A fairy-tale universe unfolds for you at Tivoli Gardens, where amusements, concert performance and a profusion of flowers await. Sights to see in Copenhagen: The Little Mermaid, Tivoli Gardens, Amalienborg Palace, Strøget, Round Tower, Kronborg Castle, Carlsburg Brewery, Bakken, Frederiksborg Castle, Rosenborg Castle, Copenhagen Zoo, the Viking Museum, and much more!

TESTIMONIALS

"The trip was great. The tour manager and bus driver were awesome. The girls had a great time and it was fun watching them adjust to new environments (food, language, currency, etc.) and getting the chance to experience soccer in another country. They will never forget this trip and neither will I."

Debbie Thompson, Parent, Maryland State Girls ODP, Denmark

"I had a fantastic time and the trip far exceeded my expectations. As a chaperone, it was a pleasure getting to know the girls and their personalities on and off the field. For the girls, the trip was a great introduction to international travel, adapting to other cultures and customs as well as a terrific soccer experience. I would recommend the experience to anyone interested in advancing the intellectual and athletic education of their child. Thank you Excel International Sports for a job well done."

Kenneth Stipcak, Maryland State Girls ODP, Denmark

"The team at Excel did a wonderful job of coordinating our trip to Denmark. Our tour guide was professional, courteous and was a wealth of information. From an educational, cultural and sporting standpoint, the trip was first class. Our team enjoyed quality games and the opportunity to socialize with our opponents at the end of the match. The cultural event to Tivoli Park, Frederiksborg Castle and the Viking Museum were great. Excel really made the experience a memory of a lifetime."
