TESTIMONIALS

"Our England trip with Excel was a top quality experience for our program. The training facilities we used were excellent and for our players to face the reserve teams of three top EPL teams was a great opportunity for them. Our players also toured Old Trafford Stadium and attended the Manchester United v Liverpool and Spurs v Arsenal games. This was a once in a lifetime opportunity for our players."

Sasho Cirovski, University of Maryland, Head Men's Soccer Coach, London

"We had a spectacular trip to the UK through Excel Sports! The trip was very well organized. Our schedules were planned efficiently and we were able to sightsee and learn about the unique history of various cities in the UK. The players had a fantastic time and many of them say that this was one of the best weeks of their lives. The trip is certainly something that they will remember forever."

Kelly Tyrrell, Coach, Dickinson College Women's Soccer, England

"The whole experience was one the players and parents will never forget. The soccer, the sightseeing and the cultural environment; the balance between soccer and social sightseeing was great."
